Satan's Hidden Signature In Evolution (Part 1)

ON **AUGUST 30, 2018** / BY **SPANIARDVIII** / IN **ATHEISM** / **9 COMMENTS**

Let us first start in creation. Satan wants to erase God as creator and put himself in His place through the Big Bang theory.

Holy Scripture

Genesis 1:1

SALVATION

If you do not have a relationship with Jesus Christ, I encourage you today to do so. Repent and believe that Jesus died on the cross for your sins and took your punishment upon Himself, was buried and on the third day rose from the grave. If you give your life to Jesus by faith in His sacrifice, He will give you eternal life.

Genesis 1:1

In the beginning God created the heavens and the earth.

Evolution

The Big Bang Theory says that before the universe with stars and galaxies existed, there was a very hot and dense **superforce**. This superforce is called "*interactions*" which consist of *gravity, electromagnetism, the weak force, and the strong force*. https://simple.wikipedia.org/wiki/Big_Bang

Personally, it sounds like they got their theory from George Lucas, the creator of Star Wars "*the force is with you*" which the movie taught that

Personally, it sounds like they got their theory from George Lucas, the creator of Star Wars "*the force is with you*" which the movie taught that through meditation, one can tap into that force and achieve the impossible.

According to the science community consisting of atheists, creation started from a "*superforce*" components which came from nowhere and from no one.

This "*superforce*" components is Satan's signature and reveals that he wants to put himself in the seat of The Creator.

Ephesians 6:10-12

10 Finally, be strengthened by the Lord and by His vast strength. 11 Put on the full armor of God so that you can stand against the tactics of the Devil. 12 For our battle is not against flesh and blood, but against the rulers, against the authorities, against the world powers of this darkness, against the spiritual forces of evil in the heavens.

The community of Evolution and Atheism has made up a belief that came directly from Satan himself. Its true meaning is to make people abandon God completely and worship him. How are they worshipping the devil you may ask? Good question...the more I read about evolution, the more it sounds like New Age philosophy and the occult.

God completely and worship him. How are they worshipping the devil you may ask? Good question...the more I read about evolution, the more it sounds like New Age philosophy and the occult.

To worship Satan, one is not required to acknowledge him or even join a Satanic Temple, The Occult, or even any type of spiritualism. What we must understand is that Satan doesn't care if you believe in him or not because regardless of what you may think of him, he will use you for his demonic purposes. Anyone devoid of the Holy Spirit is in Satan's hands.

2 Timothy 2:24-26

24 The Lord's slave must not quarrel, but must be gentle to everyone, able to teach, and patient, 25 instructing his opponents with gentleness. Perhaps God will grant them repentance leading them to the knowledge of the truth. 26 Then they may come to their senses and escape the Devil's trap, having been captured by him to do his will.

When a person is not worshipping the true living God, Satan uses them for the sole purpose to attack the Bible to make people doubt it so that they cannot get saved.

A MESSAGE TO ALL BELIEVERS IN CHRIST JESUS

4 In their case, the god (*Satan*) of this age has blinded the minds of the unbelievers so they cannot see the light of the gospel of the glory of Christ, who is the image of God.

In the early 18th and 19th century there was a man by the name of Franz Mesmer who brought about the teaching of an existing force called "*Animal Magnetism*" which Franz taught that the force runs through the human body and gave him the power for healing his patients through it. The occult was influenced by Franz's teachings.

Why did Franz call it *Animal Magnetism*? Because the demonic forces are always mentioned in Scripture as having animal characteristics for their viciousness and deadly attacks. Below are a few examples

- **Genesis 3:1**
Now **the serpent was the most cunning of all the wild animals** that the Lord God had made. He said to the woman, "Did God really say, 'You can't eat from any tree in the garden?'"
- **Genesis 4:6-7**
6 Then the Lord said to Cain, "Why are you furious? And why do you look despondent? 7 If you do what is right, won't you be accepted? But if you do not do what is right, **sin is crouching at the door. Its desire is for you**, but you must rule over it."
- **Luke 10:18-20**
18 He said to them, "I watched Satan fall from heaven like a lightning flash. 19 Look, I have given you the authority to trample on **snakes**

Hello TCA, the only source that I would recommend is the Word of God. My desire is to steer people to a loving Jesus. Basically, the big bang theory is a way to try very hard to discredit God as creator. Let us ask ourselves the question: Can a computer come into existence through atoms forming it in billions of years with its program and commands that it contains? Or did someone make the computer and programmed it? Which is more logical? DNA is the program of all living things.

it's always interesting to see Christians attack things that they have no idea in the slightest about. "superforce"? So which scientists have said that, or is this just one more made up bit of nonsense by a Christian?
and it is also interesting on how a Christian makes his supposedly omnipotent god so incompetent. Perhaps you'd like to explain why your god works with Satan in Revelation by intentionally releasing this being in order to allow to corrupt faithful Christians who lived under Jesus Christ's rule for an aeon? Why was this god required to do this? (Revelation 19-21)?

Jesus was not working with Satan, that is a misinterpretation on your part. Revelation 19 is about Jesus fighting against the Antichrist. In Revelation 20, Satan was released from his prison to test those on the earth, to see if they would follow Jesus or the devil. Satan and Jesus were NOT in cahoots with each other. He just released him and that's it. The world was not all Christians as you can see that many people followed the devil to go against Jesus Christ.

I'm glad I don't believe any of that. I see you use a computer as something "intelligently designed" and we can look at a computer and know it is intelligently designed because we have so many examples. How do you know the universe was intelligently designed? Do you have any other universes to compare it with? 😊

Hey David, to answer your question. The universe had a starting point with laws that were instituted to govern it and placed the sun at a perfect distance from earth to create life and you want evidence of God? I think that the universe speaks for itself and it says, "God created me"

Genesis 3:1
"Did God really say, 'You can't eat from any tree in the garden?'"
God did say this, but only to Adam, several days before Eve was created from his rib. Eve wasn't around for the 'tree' conversation, and Adam wasn't around for the 'eating' conversation, to stop her.

Hello Archon, thank you for your questions.

In Genesis 2:16-17, God only told Adam not to eat the fruit from the tree of the middle of the garden, you are correct on that but what you have missed is the fact that Adam relaid that command to his wife after she was created. On your second point about Adam not being there for the "eating conversation" Adam was there. This is seen in
